NOTICE OF HEARING TO CONSIDER RATE INCREASE

The Board of Directors will hold a public hearing as required by CRS § 32-1-1001(2) at 6 pm on November 20, 2025, at 65 Mercado Street, 2nd Floor, Durango, Colorado, to consider approval of the following fee increases and establish an effective date for any increase:

- Monthly user fee not to exceed \$70/ERT (\$10 increase).
- Plant Investment Fee not to exceed \$15,000/ERT (\$3,000 increase).
- TSC Impact Fee not to exceed \$500/ERT (\$210 increase)

The increases in monthly user fees and Plant Investment Fees are needed to provide funding for an upgrade and expansion of the District wastewater collection and treatment system. The fees increases are shown in the financial model developed to implement the South Durango Sanitation District Master Plan 2024.

The increase in the TSC Impact Fee is based on final project costs.

Interested persons may submit written comments or appear at the hearing.
